In their order No.Ms.737 Edn., dated 12-5-1944, the Government sanctioned the further retention for a period of one year from 4-7-1944 of the post of additional Demonstrator in the Government College, Mangalore, and stated that the question of permanent retention of the post would be considered when the strength of the college in the Science groups reaches the 1937-38 level. I request that the Government may be pleased to sanction the permanent retention of the post from the 4th July 1945 in the circumstances stated below:--

(2) The post had been in continuous existence for a period of six years from 4-7-1938 and there is a definite need for it. The strength of the College in the Science groups during the years 1937-38, 1943-44 and 1944-45 are given below:-

1937-38	:	169
1943-44	:	151

As against 169 students in 1937-38 in the Science groups there is a strength of 188 during the current academic year. The strength has increased from 151 students in 1943-44 to 188 in 1944-45. The Principal also reports that a further increase in strength is expected during the next year.

(3) Necessary provision has been included in the Budget Estimate for 1945-46.
